

Registration is now open for the Envision™ Accreditation Workshop

May 24, 2017 / City of Leawood, KS

Are you interested in becoming qualified to take the Envision Sustainability Professional (ENV SP) credentialing exam?

On May 24, *Shockey Consulting Services*, in conjunction with the *2017 APWA Mid-America Conference*, will provide an Institute for Sustainable Infrastructure-approved **Envision Accreditation Workshop**. The workshop will be held at the City of Leawood (Kansas) City Hall. This full-day workshop will familiarize you with Envision tools used to aid sustainable planning and design activities and qualify you to take the ENV SP credentialing exam.

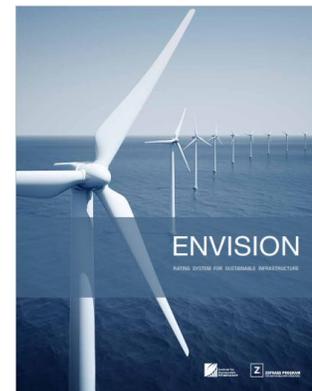

If interested, [please use this link](#) to express interest. Participating in this initial questionnaire will get you on the mailing list for additional information and the official registration request. If you have any interest, please complete these few questions.

Workshop participants are required to hold a four-year degree or have a Professional Engineer (PE) or equivalent professional designation, unless a participant is a student. The workshop is limited to 24 participants. Lunch will be included in the workshop fee. Additional information will be forthcoming upon your registration.

Learning Objectives:

Upon completion of this course, you will

- Be familiar with the Envision tools
 - Envision Guidance Manual
 - The Envision Checklist
- Know how to use the Envision guidance manual to determine levels of achievement
- Have an understanding of how to navigate the ISI website
- Understand the verification process
- Be qualified to take the ENV SP exam

Your ISI Approved Trainer will be JC Alonzo, Sustainability Implementer, Shockey Consulting Services. JC has been involved in environmental sustainability policy and implementation since the mid 1990's. He's an experienced ENV SP, documenting current or soon-to-be verified Envision projects. JC originally served on the ISI Professional Development Committee, which created the workshop training programs for ENV SP's and Trainers. JC has trained over 200 ENV SP's for ISI, along with the first class of trainers.

Lunch will be included. Additional information will be forthcoming upon your registration. We look forward to meeting you in a few weeks.
